

Alumni Association Membership Application

We invite you to Stay Connected!! The Alumni Association is comprised of volunteer leadership uniting the COSC's Alumni Community through meaningful connections!

We are better with YOU! The Alumni Board is committed to building relationships and empowering the pursuit of education and career satisfaction. Together, we work to provide professional and social opportunities for members and alumni, and support Charter Oak State College's educational and service objectives.

You are what make the College and our Association strong (along with our over 17,000 graduates). Membership in the Alumni Association is not only a great way to show your **#CharterOakPride**, but it is also **a vote for the value of a Charter Oak education!** Paid membership provides funding that enables the Alumni Association to do great things for our alumni, students, and our alma mater.

All Graduates are Alumni of the College, and welcome to participate in Alumni activities however, **with a paid membership, you will receive a few additional perks!**

- **Paid Members are invited to participate** in surveys, votes, general decision making, and meetings
- **Receive memorabilia** with paid dues
- **Support Programing** (with the proceeds from dues!) ***It is a Win, Win, Win!***

To be a paid member and receive a gift, complete, and return the form below (**by June 30**) with payment to COSC Alumni Association, 185 Main Street, New Britain, CT 06051
