

Career Development Workshop

The Charter Oak Alumni & Student Association [s]

A free Career Development & Mentoring Workshop

Tuesday, March 20, 2018

5:30 pm – 7:00 pm

Charter Oak State College, Fleet Conference Room

55 Paul Manafort Drive, New Britain, CT 06053

Tuesday, 3/20/18

Is Your Career on *your* Path to Success? Do you need a plan, direction, or just encouragement?

Ask yourself, are you relevant and current for the job market? Are you happy in your chosen field or position? Or, are you aspiring for more? Do you need tips from peers and experts?

Join us for the first workshop in this 3 workshop series on career development, with an introduction to the COSC Alumni Association Mentoring Program.

Joyce Petrella, COSC Foundation Executive and founder of Calculus of Talent, will provide a stimulating workshop that will help you define your objectives while offering career growth how-tos.

Come • learn • participate ~ *you'll be glad you did!*

This complimentary workshop is open to all students and alumni of Charter Oak, and will include refreshments (food & beverages). Registration is requested by **Friday, 3/15/18**.

Please note that remote access will be available and the dial-in information will be distributed with the confirmation email.

Please RSVP by simply returning the information below by email:
