The **Student Crisis Fund** began with a single man, a single desire, and a single donation. Shortly after, as we shared the story of his desire, another stood and challenged the Foundation to think bigger, dig deeper, and do more. Her challenge was matched! Then, in 2016, the Board endorsed a special focus to establish a Student Crisis Fund Endowment, to permanently and sustainably fund Student Crisis awards.

The Fund provides students with immediate relief from financial burdens, affording them the opportunity to stay the course, complete their degree, and enhance their economic state.
